PROFESSIONAL EXPERIENCE

Ecommerce Website - Fauget | [Github](#)

- Developed a responsive e-commerce website using HTML, CSS, and JavaScript, delivering a seamless user experience across devices.
- Implemented interactive features like product filtering and sorting using JavaScript libraries, enhancing user engagement and site performance.
- Integrated third-party APIs for payment processing and social media sharing, expanding the website's functionality and user reach.
- Ensured cross-browser compatibility through comprehensive testing and debugging, ensuring a consistent experience for users on different browser.

Portfolio Website | [Github](#)

- Designed and developed a professional portfolio website using HTML, CSS, and JavaScript, showcasing my skills and projects to potential clients and employers.
- Created a visually appealing and responsive layout, ensuring optimal viewing experience across various devices and screen sizes.
- Showcased my projects and achievements through a clean and intuitive user interface, highlighting my expertise and demonstrating my ability to create visually compelling web designs.
